MACAULAY UBON

Mobile Developer

PROFESSIONAL SUMMARY

I am a mobile developer with 5+ years of experience in the field. I've had the privilege of working on a diverse range of projects , from enterprise-level applications to consumer-facing mobile solutions. Whether it is developing robust backend systems or crafting pixel-perfect user interfaces, I approach each task with dedication and attention to detail.

EXPERIENCE

HOSPYTA MOBILE— *Flutter Mobile Developer*

MARCH 2022 - PRESENT

Joined other Designers and software engineers in developing user friendly applications, using flutter for the mobile application development.

JUMPLINK TECHNOLOGIES, Abuja, Nigeria— *Mobile Team Lead*

MARCH 2023 - PRESENT

As the mobile team lead at Jumplink Technologies, I oversee a dedicated team of mobile developers, guiding them through the development lifecycle of innovative mobile applications.

SMC DAO, Remote — *Mobile Developer*

MARCH 2023 - MARCH 2024

I embarked on an enriching journey as a flutter developer entrusted with the task of crafting a cutting-edge crypto wallet application named PeniWallet. Throughout the one year contract, I poured my expertise, creativity, and dedication into every aspect of the project, from conceptualization to execution.

My contribution extended beyond the development of the PeniWallet application. I played a crucial role in successfully publishing the SMC DAO app on both the Play Store and App Store, leveraging my expertise in app deployment process and platform guidelines.
